You will notice a 10 with Poole Wheelers and Bournemouth Jubilee on 31st May (Sunday morning). Let's make an effort for this as it's a good opportunity to ride a really fast course and have a good competition with local riders. It would help their organisation if you would put your name down on the Poole Wheelers website in advance.

Similarly, please sign on on the Bournemouth Jubilee website for 21st April event.

With these events you can turn up and ride, but like our own TTs it just helps if you can do it in advance.
